SIMEC Vocational Institute

The SIMEC Vocational Institute, a sister concern of SIMEC Group, operates under SIMEC Foundation and is located at SIMEC Palli in Mymensingh Balipara. Since its inception in 2023, the institute is aimed to offer a diverse array of vocational training programs under the auspices of the Bangladesh Technical Education Board (BTEB). Currently, the institute offers training in seven trades: dress making, computer and information technology, civil construction, electrical maintenance works, general electronics, welding and fabrications, and patient care techniques.

These programs are designed to provide students with practical skills and knowledge that meet industry's standards, thereby enhancing their employability. Graduates receive certification through BTEB, a testament to the quality and rigor of the training they receive. The SIMEC Vocational Institute also supports its students with a dedicated job placement cell, which assists graduates in securing employment with various companies, both locally and internationally. Furthermore, students who have completed their vocational training have the opportunity to advance their education by enrolling in the four-year Diploma course at SIMEC Institute of Technology, which enables them to enhance their expertise and expand their career prospects. Through its commitment to excellence and comprehensive educational offerings, the SIMEC Vocational Institute plays a pivotal role in equipping students with the skills needed to thrive in today's competitive job market, fostering a new generation of skilled professionals ready to contribute to their communities and beyond.

Improve the possibilities...

Social accountability is a matter of great responsibility. Every being on this planet is born with an innate sense of responsibility. We human beings may not always be able to carry out our social responsibilities as a group or an institution, but individually, we fulfill our social duties to some extent, be it consciously or subconsciously. Some take notes of these contributions; some do not.

SIMEC Foundation has been regularly conducting various public welfare activities, including public awareness programs with various social and educational institutions, developmental organizations, and prominent individuals to contribute to the development of our nation.

- **Education & Research**
- **Sahiya-Majid Education Scholarship**
- **Kalam Mandal Computer Training Center**
- **Afsana Khanom Sewing Training Center**
- **Shonim Shaheen Community Clinic**
- **Ibrahim Center for Religious Learning for the Elders**
- **Nagendra Chandra Library**
- **SIMEC Polli Sporting Club**
- **Public Awareness Program**

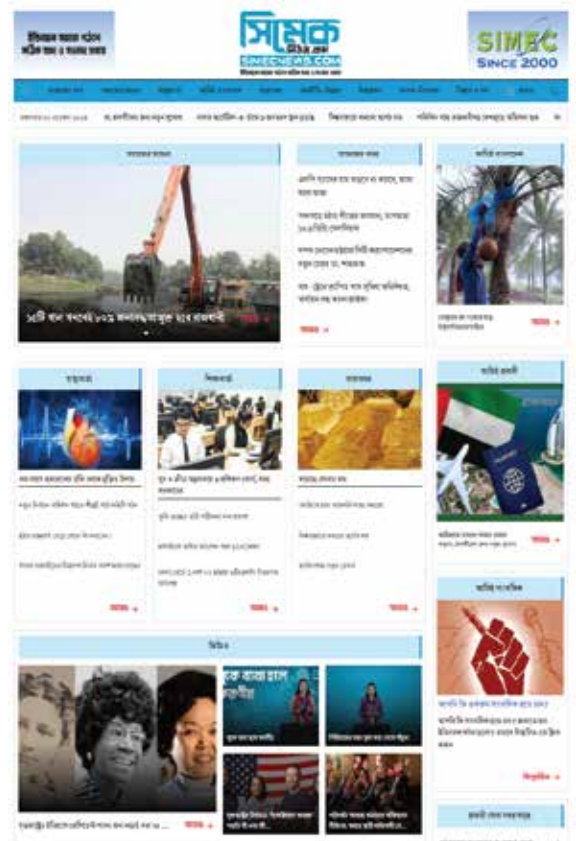

Improve the possibilities...

Patriotism and the spirit of the liberation war of Bangladesh should be the guiding force for news and information policy of **SIMECNEWS.COM**.

Improve the possibilities...

MESSAGE

SIMEC Group was established with the aim of creating a diverse, efficient, and productive environment with state of the art facilities for economic and technological growth.

Since its independence in 1971, Bangladesh has gone through various ups and downs. Bangladesh is currently in a developmental pathway, crossing its silver jubilee. The government of Bangladesh has emphasized the role of digital technologies in creating a technologically advanced and sustainable society, a 'Smart Bangladesh'. This vision requires collective efforts, and SIMEC is ready to assist Bangladesh in achieving that dream.

SIMEC intends to bring modern engineering and medical technologies as well as smart education systems to Bangladesh. SIMEC Group has endeavored to create sustainable communities by creating employment and utilizing the human resources in Bangladesh who are mostly youths.

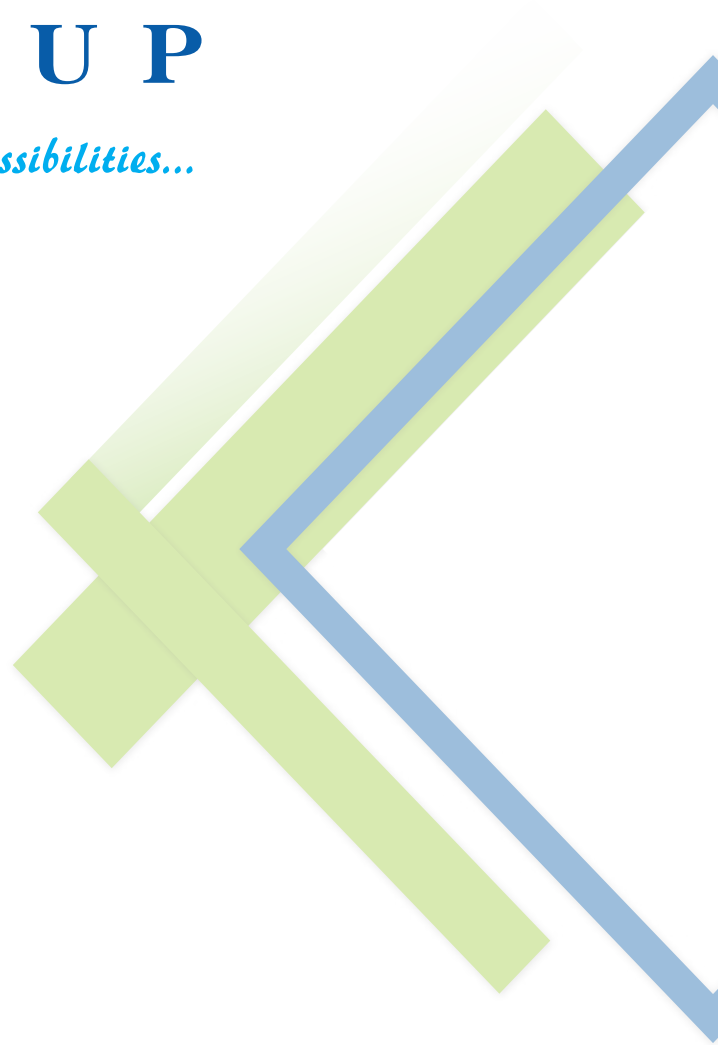

We encourage you to invest in Bangladesh and become a part of the country's promising future. SIMEC Group is committed to helping you put your ideas into action. Our goal is to ensure satisfactory services maintaining quality and diligence. We welcome your participation.

Think about Bangladesh, think about us.
